June 6th, 1918

Sir Edward Kemp, K.C.M.G.,

Minister of Militial Overseas.

Dear Sir Edward:

Dr. D. J. Gibb Wishart has urged me to apply to you for the recall of Lt.-Colonel Gilbert Royce in order that in the coming session which begins on the first of October he may be able to resume his teaching in connection with the Department of Oto-Laryngology in the University of Toronto. We are very short of men and Professor Wishart, who is head of the Department, has urged this upon me.

With kind regards, I am,

Yours sincerely,

President.
